

NAVIGATING YOU THROUGH TODAY'S MEETING AND EVENT WORLD

2020

**ASSURANCE
THROUGH
ALLIANCE**

Assurance Through Alliance (comprised of 3 Charleston, SC based companies specializing in Event Production, Video Production and Meeting and Event Planning) was created in response to the COVID-19 pandemic and is designed to support businesses and individuals in making responsible decisions in regards to meetings, events and gatherings. Suggestions and recommendations are based on consultation with business, medical, nonprofit and governmental professionals in accordance with data and information available at the time of this document's publishing. As the COVID-19 situation evolves, so will the strategies, recommendations and requirements for businesses, clients, and vendors safe. The practices outlined in this document are not intended as legal advice and should not be interpreted as such. We strongly suggest consulting with your own legal counsel prior to implementing any advice that has the potential to expose you and/or your organization to litigation.

PLANNING PRODUCTION TECHNOLOGY

These three key areas of need are in part crisis management driven and are designed to offer solutions and partnerships via value-add services that are recession resilient and ready to be implemented.

ASSURANCE THROUGH ALLIANCE

www.Event-Assurance.com

Responsible Events

As we transition our companies and ourselves to a post-pandemic world we appreciate that the new normal for now is uncertainty, confusion and fear

Advocate for Clients/Venues

Offering assurance and validation for our clients by sourcing and recommending venues that adhere to the highest standards of health and safety

Meeting & Event Planning Consultation

Communicate with your clients, be smarter with your existing resources, conduct an audit of your existing meetings/events and provide a roadmap to navigate the future

Technology & Cyber Security

Providing a secure, high level experience for all attendees both live and remote

WHO WE ARE

- Thomas Smith** - Principal at Innovative Event Services (IES)
 The IES team has more than 25 years of experience producing events that range from corporate meetings for Fortune 500 companies and international political groups to celebrity weddings and small backyard BBQ's. No matter the size of your project, we will help you create an event of the highest quality while exceeding expectations of social responsibility and safety.
- Chris Greenslade** - CSG Meetings Management and Consulting
 28 years of meeting and event planning and consultation experience dedicated to providing you direct solutions that would best serve your needs, reduce costs, save time, mitigate known potential risks and play a positive role in helping to achieve your objectives. We appreciate even more during these troubled times that your investment in an event is not only vital for your stake holders but also to the bottom line!
- Richard Almes** - Principal at Unimedia Productions
 31 years as a corporate video producer supporting national and international clients with their external and internal video messaging. We're in the business of helping clients improve employee retention, generate additional clients/sales, provide a safer working environment and increase productivity. We work with a client in a true support capacity on any type of project that is important to them.
